

## ASPRA® Aura Cleaning brush

### Product description

For optimal operation, the ASPRA Aura air purifier should be cleaned on the inside, depending on the air pollution, on average every quarter. To ensure that the inside of the air cleaner is not affected during cleaning, VFA Solutions has designed a special cleaning brush. This cleaning brush is easy to use, does not damage the air purifier during use and ensures an optimal operation of the air purifier.

### Benefits

- Use ensures an optimal operation of the air purifier
- Easy to use
- Protects the air purifier during use
- Easy to clean

### Product details

<b>Article code</b>	VFA10046
<b>Dimensions</b>	24 x 239 x 337 mm
<b>Weight</b>	0.5 kg
<b>Materials</b>	Plastic and galvanised steel
<b>Colours</b>	Blue
<b>Operation</b>	Manual
